

Sky Boxes - Complimentary Use of

The University provides the use of sky boxes for athletic events through the issuance of lease agreements. The amount of the lease is determined by the size of the sky box. The sky box leases are for a period of one year and are approved by the Director of Men's Athletics.

Complimentary sky boxes are available as an exception to the normal lease agreement arrangement and require individual and specific approval of the Chancellor. Such exceptions will be made only under significant circumstances, when it is clearly in the best interests of the University and the State of Arkansas.
