By signing above, the person/organization submitting the request agrees to and will abide by all University policies governing the use of University facilities for outdoor spaces and air space. A copy of the approved reservation form must be at the event at all times and must be presented to any University official with authority over the location, including UAPD, if requested. By signing above, the person submitting this request warrants that the UAS complies with all applicable federal certification requirements or other federal and state laws, including, but not limited to, any regulations of the Federal Aviation Administration. I understand that I may be required to submit proof of insurance and/or to list the Board of Trustees of the University of Arkansas as an additional insured as a pre-condition to conducting any UAS flights over approved campus locations. The University reserves the right to request additional documentation regarding compliance as a condition of approval. I understand that I am financially responsible for any property damage or personal injuries, including, without limitation, death that may be caused by my use and operation of a UAS over University property except to the extent limited by University policy and/or Arkansas law. The use and operation of a UAS is strictly regulated by the Federal Aviation Administration and is governed by state law.
