

Workplace: Presence of Children, Other Family Members, or Friends

It is University policy that only those providing or making use of university programs and services should be on campus regularly or routinely, except as bona fide visitors. Consequently, neither employees nor students should have family members, including children, or friends as a regular presence in their workplace or classrooms and other areas of instruction, including laboratories.

Exceptions should only be made in response to special circumstances for short periods of time and must be approved by the employee's supervisor.
